

Enterprise Europe Network is the largest business support network in Europe. Thanks to its 572 contact points (Chambers of Commerce, Regional Development Agencies, Technology Centres) in 45 countries across Europe and beyond, it helps SMEs develop their innovation potential and access new markets.

Launched in 2008 by the European Commission, it offers a "one-stop shop" to meet all the information needs of SMEs with practical advice, assistance and information on European issues, including EU legislation and policy, EU financing programs, EU public procurement and innovation. Unioncamere with all the Chambers of commerce of Emilia-Romagna belongs to the network within **SIMPLER Consortium**. The other partners of the Consortium are: CESTEC, Chambers of commerce of Milan – Innovhub, Alintec, FAST from Lombardy and Eurosportello - Chamber of commerce of Ravenna and ASTER from Emilia-Romagna.

First Annual Workshop of Italian Consortia

During Ecomondo 2010 Italian partners of Enterprise Europe Network will organise the first annual workshop "The Italian consortia of ENTERPRISE EUROPE NETWORK: a high quality services provider system for economic development".

The meeting will focus on network services for clusters in the fields of energy and environment and will be targeted to companies, institutions, business associations and researchers.
